GASTROBACK®

DESIGN BBQ ADVANCED
CONTROL

6 BBQ programs with preset temperatures. Unfoldable for use as a large barbecue grill. Extra fast grilling with 2000 Watt. Removable grill griddles, dishwasher proof.

Description:

- Perfect combination of grilled food, temperature and time
- Integrated grill thermometer determines exactly the core temperature and indicates the exact cooking level of the food
- Suitable for various meats, kebab skewers, poultry, burgers, fish, panini and vegetables
- 6 BBQ programs with preset temperatures
- Unfoldable for use as a large barbecue grill— approx. 1632cm³ grill contact area
- Grill contact area—approx. 816 cm² (34x24cm)
- Ribbed upper part grill plate with height adjustment for a fine drawing of the food
- Flat bottom grill plate also suitable for pancakes, omlets, fried eggs and crepes
- Extra fast grilling with 2000 Watt
- Heating plates with integrated heating elements
- 60 minute timer with audible signal
- Low-fat function—healthy contact-grilling for zero fat
- Anti—stick coating
- Removable grill plates. Dishwasher proof
- Integrated grease drip tray, dishwasher proof
